

Petition for Course Substitution

Instructions for student: To request that graduate courses taken elsewhere be used to satisfy Clemson graduate curriculum requirements, complete the request below, and **attach a syllabus and table of contents** for the prior coursework. Allow several weeks for the petition to be considered.

Your academic advisor (grad program coordinator in the first semester or research advisor thereafter) must sign this form to approve the curriculum change before submitting to the graduate committee.

Student name:

Advisor signature: Date:

I wish to satisfy the following chemistry curriculum requirement(s):

- 18-Credit Rule
- Broad Chemical Awareness
- Distribution
- Focus Area

(for Broad Chemical Awareness only, specify area):

- analytical
- inorganic
- organic
- physical

Using the following coursework taken elsewhere:

University name:

Course name(s):

Course number(s):

Decision

- Approved
- Denied

Instructions for graduate committee: Evaluate the materials provided to see if they fill the same purpose as the Clemson curriculum requirement. Note that the external course need not be an exact match for a Clemson course. Instead, assess whether the course would meet the degree requirement **if the same course were offered at Clemson.**

Graduate committee member signatures:

Bill Pennington, Chair Date:

Carlos Garcia (analytical)	<input type="text"/>	Date:	<input type="text"/>
Joseph Thrasher (inorganic)	<input type="text"/>	Date:	<input type="text"/>
Andy Tennyson (inorganic)	<input type="text"/>	Date:	<input type="text"/>
Steve Stuart (physical)	<input type="text"/>	Date:	<input type="text"/>
Sourav Saha (organic)	<input type="text"/>	Date:	<input type="text"/>
