Please remove this quick reference card before mailing.

## Keep Kids Safe

- I will watch out for the children in my community.  
Following the Golden Rule, I will do my best to listen and respond to the needs and concerns of neighbors, friends, relatives, co-workers, and fellow citizens who have young children.
- I will do my best to notice and show that I care when a child or the child's family has reason to rejoice, worry, or grieve.
- I will learn the names of the children in the 10 homes closest to my own.
- I will regularly take time to help a family with young children.
