GRADUATE ASSISTANT II: HEALTHY CAMPUS

Our mission is to create a culture and/or environment that fosters health/wellness, safety and sustainability and enables our campus community members to achieve, learn and serve. We will achieve this by providing exemplary
- leadership and advocacy for public health policies and structures intended to improve health
- engaged learning activities - creative inquiry teams, internships, class projects;
- partnerships and networks of collaborators to achieve Healthy Campus objectives;
- population-level interventions.

Qualifications: Applicants must be accepted and/or enrolled as a full time Clemson University graduate student. Preference will be giving to applicants in Master of Education-Student Affairs Program. This is a 12-month position. Interested students must have a passion for working with initiatives that promote health/wellness, safety and sustainability.

Position Summary: The Healthy Campus graduate assistant is a 28-hour per week, full-time graduate student whose primary responsibilities include assisting with the Aspire to be Well Program, creative inquiry teams, and health initiatives.

Terms of Employment:
The Graduate Assistant for Healthy Campus is hired for a term of employment of one academic year. The graduate assistant's work performance during the first year may allow eligibility for reappointment for a second year.

General Responsibilities:
- Assist with all aspects of the Aspire to be Well Program including the selection, hiring and training of Aspire peer educators and the planning, implementation and evaluation of the program.
- Assist with Healthy Campus’ creative inquiry teams, which may include Aspire and Greek Leadership.
- Provide campus community education and training for topics including but not limited to alcohol and other drugs, sexual responsibility, suicide prevention, stress management, and mental wellness.
- Represent Healthy Campus at New Student Orientation and programs put on by the Office of New Student and Family Programs or other related events.
- The graduate assistant will have the responsibility of providing educational programs or initiatives frequently on nights and weekends.
- Graduate assistant will be required to attend:
  - Weekly one-on-one meetings with supervisor
  - Weekly departmental meeting
  - Serve on other committees as assigned
