

## **Concealed Weapons**

The Law Abiding Citizens Self-Defense Act of 1996 provides the requirements for the State Law Enforcement Division to issue permits to allow certain individuals to carry concealed weapons. However, the code is amended by section 16-23-420 to read: it is unlawful for a person to carry onto any premises or property owned, operated, or controlled by a private or public school, without the express permission of the authorities in charge of the premises or property.
