

LIB 100: Clemson Connect is a required pass/fail, zero credit course which provides all new Clemson students with the information needed for a successful transition. In order to pass this course all associated homework assignments must be completed. Clemson Connect has five (5) components and activities in which all new transfer students will participate and submit required assignments: iClemson, New Student Convocation, One Clemson, Mission: Transition, and a Library Workshop. The information below will help guide you through Clemson Connect and ensure you are completing all of the required assignments in the course. **Remember Clemson Connect is one of your first courses at Clemson University; complete all the assignments to you start your semester off right!**

- After Orientation, start Clemson Connect by **accessing the course through Blackboard- <http://bb.clemson.edu>** . Towards the top of the screen select COURSES, then find LIB 100: Clemson Connect and select it.
