Course Title: Soil Microbiology

Brief Statement of Change:
 We wish to change the undergraduate course prerequisite to include MICR 3050 plus either of two other advanced courses. For graduate students, we believe no prerequisite will be necessary.

Delete Major Name: Biological Sciences (BS - 201408)
Degree: BS
Effective Catalog Year: 2015

Explanation: We wish to delete the Quantitative Biology Emphasis Area of the Biological Sciences BS. This program has had very low enrollment, and courses that it requires from other departments are either not being offered regularly or now have prerequisites that exclude our majors.

Note that we only wish to delete the Quantitative Biology Emphasis Area, not the whole Biological Sciences BS!
