The following packet of forms reflects needed changes to course prerequisites in the PRTM curriculum. The main reasons for these changes include:

- 1) The prerequisite courses are no longer offered or apply because new courses have taken the place of the old courses.
- 2) The faculty decided the prerequisites are no longer necessary.
- 3) Some prerequisites place an unnecessary burden on non-majors taking the courses.
- 4) Some prerequisites put some transfer students and change of majors in a situation that will require them to wait a year to enter the major.
