It’s a great time to be a Clemson Tiger

Thomas Green Clemson would scarcely recognize Clemson University today as the one he envisioned when he gave his land for the founding of Clemson. From the first graduating class of 37 in 1896, Clemson has grown to be a top-ranked national public university in academics, athletics and student involvement, with more than 155,000 alumni living, working and influencing their communities around the world.

VALUE

The average in-state Clemson freshman paid about $5,200 in tuition, or 36% of the posted rate (fall 2016).

99% of in-state freshmen at Clemson received some sort of scholarship aid (fall 2017).

54% of our students graduate with no debt (national average: 31%).

Cost to educate a Clemson student has fallen 15% (adjusted for inflation) since 2008 and is significantly lower than regional peers, including University of North Carolina-Chapel Hill, Georgia Tech and University of Georgia.
