

[Please click here for our Territory Map and Field Investigators](#)

Due to the COVID-19 outbreak, the Department of Pesticide Regulation staff are currently working remotely under a modified operation status. All services will continue to be provided. Our support staff will be available during work hours via email. Please be patient as you may experience longer response times as we work through this event. If you have specific questions concerning one of the DPR programs listed below, please email our staff.

Commercial/Business Licensing
Insurance Certificates
Non-Commercial Licensing
Pesticide Dealer Licensing
Private Licensing
