

# JOIN CLEMSON'S TRADITION OF GIVING

Clemson University began with a gift from Thomas G. Clemson  
and over the years Clemson's historic properties  
have been a monument to that gift.

Your contribution can keep the history and learning opportunities  
of Clemson's historic properties alive for years to come.

Thanks to the generosity of our donors,  
we are able to preserve and learn from Fort Hill, Hanover House and Hopewell.  
Past gifts have allowed us to procure new artifacts, pursue research and provide  
educational resources to generations of the Clemson community.

Join us in continuing the tradition of giving at  
Clemson University.
