ADVISING CENTERS MATRIX

College/Division	Advising Model	Function of the Advising Center	Contacts
Agriculture, Forestry and Life Sciences	CAFLS Undeclared students are advised within the Student Services Center by professional academic advisors. Within each academic major, 1st year students are advised by professional academic advisor. Once students have completed their 1st year, they may be assigned to a faculty advisor.	Advising services for CAFLS undeclared students and all inquiries regarding change of academic program or shadow majors. General advising services for the College.	See pg. 181
Architecture, Arts and Humanities	All majors: Students advised by a faculty advisor with support from Center professional advisors.	General advising services for the College. Pre-law advising for the College.	See pg. 182
Behavioral, Social and Health Sciences	Nursing, Health Science, Sociology, Political Science, Anthropology, Criminal Justice, Psychology, Parks Recreation and Tourism Management, Communication, and Sports Communication: 1 st and 2 nd year, new transfer and change of major students advised by Center professional advisors. 3 rd and 4 th year students advised by faculty advisors.	Advising services for 1 st and 2 nd year students in the College. Center advisors also handle all student inquiries regarding change of academic program.	See pg. 184
Business	Pre-Business: Students are advised by professional academic advisors. Business majors: Students are advised by a faculty or professional academic advisor. Graphic Communication: Students are advised by a professional academic advisor.	Total intake center for all pre-business students. Center advisors also handle all student inquiries regarding change of academic program.	See pg. 185
Education	All majors: Students are advised by professional advisors. Students are assigned a faculty mentor in the professional level of the program.	Advising services for all Education undergraduate students. Services include student inquiries regarding change of academic program.	See pg. 186
Engineering, Computing and Applied Sciences	General Engineering: Students are advised by professional advisors until they switch into an engineering major. Engineering majors: Students are advised by professional or faculty advisors. Other majors: Students are advised by professional or faculty advisors.	Advising services for general engineering students. (No centralized advising center for other CECAS majors.) Total intake center for all engineering students. Center advisors also handle all student inquiries regarding change of academic program. (No centralized advising for other CECAS majors.)	See pg. 187
Science	All majors: Students advised by professional or faculty advisors.	Coordinate advising activities for the College and advise Chemistry Freshmen, Pre-professional Health Studies, and Pre-professional Studies-Prepharmacy majors.	See pg. 189
Undergraduate Studies	Students advised by professional advisors in the Academic Success Center.	Advising services for all AAH undeclared students and former students returning.	See pg. 183

CLEMSON ABROAD

WHO SHOULD CONTACT US?

Clemson students participating in academic programs, research, internships and co-ops, or service-learning abroad. In addition, if students are traveling abroad on behalf of Clemson University or as part of a University organization, they will need to register with our office.

ACADEMIC PROGRAM TYPES

Faculty-Directed

Program Coordination: Clemson University

Duration: Two weeks to a full semester

Academics: Students enroll in Clemson University courses

Fees: All students pay in-state tuition, fees, and a program fee to Clemson University

Exchange

Program Coordination: Clemson University partners worldwide

Duration: Full semester or academic year

Academics: Students enroll in host university courses and receive transfer credit

Fees: All students pay in-state tuition and fees to Clemson University. Additional costs are paid to host university

Third-Party

Program Coordination: Partner study abroad organizations

Duration: Two weeks to an academic year

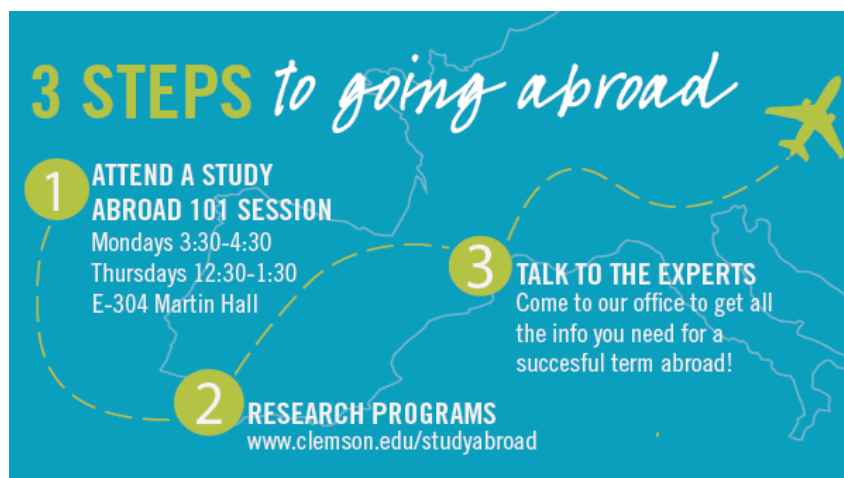

Academics: Students enroll in host university courses and receive transfer credit

Fees: Tuition and fees are paid to the third-party organization

*****All students participating in for-credit experiences abroad pay a Study Abroad Fee to Clemson University. This fee is 10% of in-state tuition and fees and will be charged to the student's university account.**

GETTING STARTED

Clemson Abroad has outlined three steps for students who are ready to start planning their study abroad program. Please advise them to follow these simple steps.

INSURANCE

All students participating in international experiences are required to purchase international health insurance. For additional information, please have students contact Clemson Abroad.

FINANCES

Studying abroad does not have to break the bank! Clemson Abroad works to provide affordable programs to all students. If students receive financial at Clemson, their financial aid package may be eligible to be applied to a program abroad. Students should discuss their specific financial aid package with the Financial Aid Office.

There are many additional study abroad scholarships available to students. Encourage students to visit the study abroad website for more information, including eligibility requirements and application deadlines.

ENROLLMENT WHILE ABROAD

All for-credit students will remain enrolled as Clemson students while abroad. The courses utilized by Clemson Abroad are characterized by the TSAP and SAP prefixes. Course enrollment is coordinated by Clemson Abroad.

CROSS-CULTURAL AWARENESS

Students can fulfill their CCA requirement as part of their international experience. Many faculty-directed programs offer IS 2100 as a course option. In addition, Clemson Abroad oversees IS 1010 each term. This is a one-credit hour course that students can enroll in concurrent with their study abroad. IS 1010 will fulfill the CCA requirement. Students must be participating in an approved program that is at least 4 weeks in duration. Course enrollment is coordinated by Clemson Abroad. Students are responsible for paying tuition and fees.

TRANSFER CREDITS

Students participating in exchange programs and third-party programs will transfer their course credits back to Clemson upon completion of their program. Students are required to complete the **Request for Approval of Courses to be Taken Abroad** form prior to departure. Students are instructed to take official course descriptions and/or course syllabi to relevant department chairs to determine the equivalent course at Clemson. Additional information can be found on the Clemson Abroad webpage.

COURSE REGISTRATION WHILE ABROAD

Students studying abroad during a fall or spring term will be registering for classes while abroad. Please note that these students will be contacting you, their academic advisor, to seek advice and to request their PIN number.

CONTACT INFORMATION

We're here to help! Please do not hesitate to contact us if we can support you or your students in any way!
