ACKNOWLEDGEMENTS

This Academic Advising Resource Manual is the final product resulting from the combined efforts of many faculty and staff on campus. Thanks to everyone who contributed in ways large and small. Your assistance and collaboration is greatly appreciated.

Every attempt is made to ensure the accuracy of the information in this Manual. Sometimes, the best attempts still result in inaccurate or outdated information. Please contact the appropriate department for the most up-to-date information.

ACADEMIC ADVISING RESOURCE MANUAL

Section One: Freshman and Transfer Orientation

2018 Freshman and Transfer Orientation Dates ........................................... I-1
Important Orientation Phone Numbers ....................................................... I-2
Orientation Participant Database ................................................................... I-3
2018 Freshman Orientation Schedule ........................................................ I-4
Freshman Advising and Registration Process ............................................. I-7
2018 Transfer Orientation Schedule ........................................................... I-10
Transfer Student Advising and Registration Process ................................. I-12
College and Departmental Locations for Advising Meetings and Course Registration
  College of Agriculture, Forestry and Life Sciences ................................. I-17
  College of Architecture, Arts and Humanities ....................................... I-18
  College of Behavioral, Social and Health Sciences ................................. I-19
  College of Business ................................................................................ I-20
  College of Education ............................................................................. I-20
  College of Engineering, Computing and Applied Sciences .................. I-21
  College of Science ................................................................................... I-22
  Honors College ........................................................................................ I-22
Transfer Credit Policies .............................................................................. I-23
  Transfer Credit Categories and Policies Matrix ....................................... I-25
Transfer Credit Evaluation Process ......................................................... I-26
Credit by Examination Policies ................................................................. I-27
  Advanced Placement (AP) Program ....................................................... I-27
  International Baccalaureate (IB) Program ............................................. I-29
  Challenge Exams .................................................................................... I-31
  College Board College-Level Exam Program (CLEP) .......................... I-32
Freshmen with College Credit ................................................................. I-33

Section Two: Academic Enrollment Policies and Procedures

2018-2019 Academic Calendar .................................................................. II-1
Academic Policies ...................................................................................... II-7
  Academic Forgiveness Policy ................................................................. II-7
  Academic Eligibility Policy ................................................................... II-8
  Withdrawal from Courses Policy ......................................................... II-13
  Withdrawal from the University Policy ................................................ II-14
Change of Academic Program or Change of Curriculum Year ................ II-15
  General Guidelines for Changing Academic Programs ....................... II-15
  Changing Curriculum Year .................................................................. II-16
Departmental Change of Academic Program Requirements .................. II-17
Financial Aid ............................................................................................. II-28
  HOPE, LIFE and Palmetto Fellows Scholarships at a Glance ............... II-31
Lawful Presence/SC Illegal Immigration Reform Act ................................ II-32
Undergraduate Program Codes for Majors and Concentrations ............. II-34
Undergraduate Minor Codes ..................................................................... II-41
Registration Process ................................................................................ II-44
Degree Works ........................................................................................... II-46
iROAR Report Generator .......................................................................... II-51
Section Three: General Education and Course Specific Information

General Education
2018-19 Requirements ........................................................................ III-1
General Education Course List ........................................................ III-12
Elective Courses (one and two-credit courses) ................................ III-17
Course-Specific Information
Aerospace Studies (Air Force ROTC) ........................................ III-19
Biology ................................................................................................ III-23
Chemistry ....................................................................................... III-25
CU1000 – Clemson Connect ..................................................... III-27
Cross-Cultural Awareness Requirement ................................ III-28
English ........................................................................................... III-30
Mathematics .................................................................................. III-31
Military Leadership (Army ROTC) ................................................ III-34
