MILITARY DEPLOYMENT
Students may be deployed for active military status at any time during a semester. Students should follow these procedures in order to leave Clemson University in good standing:

Undergraduate Students — Go to E-103 Martin Hall or call 864-656-5280, fill out the appropriate forms, and discuss re-enrollment and withdrawal options. Students must take a copy of their orders to the Undergraduate Studies Office for documentation.

Graduate Students — Go to E-108 Martin Hall or call 864-656-3022, fill out the appropriate forms, and discuss re-enrollment and withdrawal options. Students must take a copy of their orders to the Graduate School for documentation.

If a student must report for service prior to orders being issued, the student must arrange to have their orders faxed to the appropriate office previously mentioned as soon as possible. Orders may be faxed by a family member or superior officer. However, the student must still talk to the appropriate office listed above prior to leaving campus to complete the appropriate withdrawal forms. No action will be taken unless the student has completed the necessary paperwork for withdrawal.

Students should also ask about their financial aid situation. Appropriate steps must be taken in order not to incur financial penalties. Please contact Ms. Linda Henderson in the Business Office (G-12 Sikes Hall) at 864-656-9062. Students with VA benefits should visit the VA Certifying Official in 102 Sikes Hall. If a student must report for duty in less than 24 hours, undergraduate or graduate school officials will contact these individuals for the student.
