The Finance curriculum is very structured, so we recommend planning your study abroad experience early in order to set up your schedule appropriately. Below is a list of courses that we suggest students reserve for study abroad, because it will expand your options for transferable credit from study abroad. General education credits can also be fulfilled during your program. Be sure to meet with your academic advisor to discuss course transfer equivalency and your degree progress.

**Courses that fulfill degree requirements while studying abroad:**

**Cross Cultural Awareness Requirement (3 credit hours)**
IS 2100, AAH 1020, ART 2100, COMM 1800, HUM 3090, POSC 1020, REL 1020

**Upper Level Finance Requirement (9 hours)**
3000/4000 Level Finance

**Support Area Requirement (15 hours)**
Selected from minor requirements, or approved support courses through Finance

**Next Steps**

For a list of programs that work with the requirements set by the College of Business, please visit [https://bit.ly/2OmpMgj](https://bit.ly/2OmpMgj). Once you have decided to study abroad, please attend a Business Abroad 101 session hosted on Tuesdays & Wednesdays from 3:30–4:30pm in Sirrine 133.
