

Path to Landing an Internship

Create your resume and cover letter

Have your resume & cover letter reviewed at the C-Suite

Set up your LinkedIn profile and have it reviewed at the C-Suite

Connect on LinkedIn with professors, guest speakers, alumni, etc

Follow the Powers College of Business Internships and Jobs LinkedIn

Set up and use Business JobLink

Find a mentor via Clemson Business Mentoring

Attend an etiquette dinner to practice table manners

Stop by the C-Suite weekly to network with employers

Attend the Career Fair after researching companies

Complete a mock interview via Business JobLink or SparkHire

Use CareerShift to search online

Attend networking events

Send thank-you notes to new contacts and after job interviews!

Keep your internship applications organized on a spreadsheet

Consider shadowing or volunteering if you have no experience

Once the internship is secured, post on LinkedIn to keep connections updated
