

WHAT IS A MOCK INTERVIEW?

A mock interview is a practice interview that simulates a real job interview, allowing individuals to rehearse and refine their interviewing skills before the actual event. It provides a safe space to work on responses, body language, and presentation, ultimately boosting confidence and improving performance in real interviews.

MOCK INTERVIEW OPTIONS:

1. **In-Person/Virtual Mock Interviews** – The Office of Career Engagement offer mock interviews to help students strengthen their interviewing skills. You will receive personalized feedback from career counselors and experienced professionals in a supportive, low-stress setting. Whenever possible, mock interviews are customized to match your target position, background, and career goals. Schedule an appointment through CU Navigate.
2. **Automated Mock Interview** – This flexible option lets you practice anytime using pre-recorded interview questions and receive automated feedback.
