CERTIFICATE PROGRAMS

- Optional certificate programs may replace electives in Semesters 4 and 5. Programs offered at Clemson campus are:
- Digital Ecologies (15 credit hours)
  - Architecture, Society and the City (12 credit hours)
- Programs offered at Charleston campus are:
- Architecture + Community Build (18 credit hours; 2 semester off-campus requirement)
  - Resilient Urban Design (15 credit hours)

See School of Architecture Website for more information

During Semesters 4 and 5 students have the option to study at any of our fluid campus locations: **Clemson, Charleston, Genoa, Barcelona**. All coursework at each location is prescribed and will replace ‘electives’ in your plan of study.

FLUID CAMPUS OPTIONS

IMPORTANT NOTES

- CREDIT HOURS:** Credit hours must total 15 each semester.
- STRUCTURES II:** All students must complete ARCH 8710 Structures II or have been exempted upon admission through transcript review.
- ELECTIVES:** Any Clemson University course numbered 6000 and above may be taken to satisfy an elective requirement. Pay attention to pre-requi-sites and co-requisite requirements.
- GS2 PLAN OF STUDY FORM:** The GS2 form is required for graduation and it has information about graduation requirements. See <http://www.clemson.edu/graduate/students/gs2-hints.html>.
