

Design Implementation III
Assignment 3- Precedent Study
09.11.2023

Task: To research, document, and present the assigned precedent landscape architect or artist. Research should address at a minimum:

1. Who is the person?
2. What are overarching concepts of their designs?
3. What is their process?
4. What is the size/scale?
5. How do the designs relate to the landscape
6. What is the experience

Presentation Requirements:

1. 5 minutes per person (you will present in your groups)
2. 16:9 aspect ratio
3. Presented Digitally
4. Slides should be legible on screen
5. Use high resolution images
6. Create diagrams where appropriate/necessary to tell your story
7. Cite your sources in presentation

Learning Objectives:

1. To practice researching and presenting precedent studies
2. To practice effectively communicating effectively in presentation form
3. To better understand the purpose of folly/art in the landscape

Due Date: Friday 9.25 in class
