

Landscape Architecture Program 2023-2024

Standard 4

Appendix 4.1: Welcome Packet for the incoming BLA students created by Clemson University student chapter of ASLA.

Appendix 4.2: Annual Career Fair flyer indicating the firms attending the fair, meeting, and interviewing our Landscape Architecture students.

Dear incoming class,

Welcome to Clemson University Landscape Architecture Program!

We are happy to have you join the Landscape Architecture Family. We look forward to meeting you all in person, help you begin your college journey, and guide you in learning about the exciting field of landscape architecture.

Landscape Architecture is the creative profession that cares a great deal about the natural and built environments, about human health and well-being, and about the balance of our ecosystems. You are joining the program and profession at a very exciting time. On July 12, 2023, Landscape Architecture was nationally designated a STEM discipline! This will open great educational and professional opportunities for you soon.

Landscape Architecture at Clemson University is a small family. Students, staff, and faculty know each other well, and are looking forward to helping you navigate your new college life. Please feel free to reach out to any of us at any time with any questions you may have. Have a great academic year,

Go Tigers

11.8.2023 | 1:00pm | the wedge

PARENTS WEEKEND

11.10 - 11.11.2023 | lee hall

FINAL REVIEW WEEK

12.11 - 12.15.2023

LOOSE CHANGE PARTY

12.15.2023 | tbd | loose change

frequently asked questions.

Where can I get supplies for my classes?

- Michael's off Clemson Blvd, Hobby Lobby in Seneca, and the other Hobby Lobby in Anderson.

Which supply is used the most?

- Differs per person but having Micron pens of varying sizes is important.

What does ASLA stand for?

- American Society of Landscape Architects, which is an organization that serves as the voice for the profession of landscape architecture.

Can I come to lee hall after hours?

- Yes! Lee hall is known on campus as the building that never sleeps.

Who can use the fridge in the kitchen?

- Anyone, as long as you label your food and clean up after yourself!

Where can I park if I come to lee hall on the weekends?

- On the weekends students can park in employee parking spots, with the exception of game day Saturdays.

How can I print posters for my project?

- Once you submit your file to this link:
<https://papercut.clemson.edu/job-ticketing/customer/rooms/1>
- you will be notified when your print is ready for pick up on the 2nd floor of Cooper library! (ps. when you run out of printing money, you can refill it through your tigerstripe account)

What should I do if I need help in my landscape architecture classes?

- Ask for it! Reach out to your design coaches, any member of CUASLA or even anyone walking around Lee hall! Everyone is always happy to help.

How are study abroad placements decided?

- Students get to pick their top 3 choices, and placements are determined based on the student's GPA.

Do I need a lock for my desk?

- It's personal preference!

How can I get more involved with Clemson Landscape Architecture?

- Join CUASLA! Other options to get involved within the school of architecture as a whole include CNOMAS, and Freedom by Design.

Welcome to First Year Studio! We are thrilled to have you join us in the landscape architecture program. As you look around Lee III on the first day, be aware that you are surrounded by people you will likely keep in touch with for the rest of your lives. It is an exciting day full of opportunity. If you feel slightly overwhelmed, don't worry, soon you will get into your groove. This year you will learn a lot and hopefully have a bit of fun as well. Know that we are here to support you along the way.

I look forward to getting to know each of you in the coming weeks!

Best,

Lara Browning

Director of Undergraduate Studies in Landscape Architecture
