*15 credit hours for Curriculum Years 2016-2017 and subsequent years.

**18 total credit hours for Curriculum Years prior to and including 2015-2016.

NOTE: Due to the limited enrollment (class size) of the Art Department's studio art classes, Art Minors should expect to enroll in one or more summer sessions in order to complete the minor. Students with more than 60 credits hours are not permitted to declare an Art Minor as the minor program requires a minimum of 4 semesters to complete (see Fall 2019 Undergraduate Announcements).

_____ 2000 or above level ART or AAH class
List Course taken: _____ 3 cr.

Special notes: ****18 credits**

AAH 1020 and AAH 2100, Gen Ed requirements, can serve for dual use.

Courses that are designated in your major cannot be used to meet minor requirements. For ARCH students, AAH 1020, and AAH 2040 / ARCH 2040 cannot be used for minor. ARCH or LARCH majors with significant design coursework meeting the content of ART 1510, may request permission to substitute an additional ART/AAH 2000-4000 course, or the ART 1050 or ART 1060 Foundation Drawing courses, on a space-available basis. A course substitution form will need to be filed.

Art Minors must register with the Department of Art in order to be given access to ART classes after the BFA majors enrollment has been satisfied. For Fall semesters, this means after Freshman and Transfer orientations occur in the summer. Class size and offerings are limited by facilities and faculty resources. You must contact Art Administrative Assistant Ms. Lori Guban, lguban@clemsun.edu, each semester to be placed on a department Art Minor waiting list.

Note: Online & Traditional Summer session ART classes are offered without restrictions to all students, as is the biannual faculty-led study abroad Art in Italy program!

NOTE #1: Nine credits at the 3000/4000 level are not required for a minor in Art, as approved by the University Undergraduate Curriculum Committee, 2010. [Email from Jeff Appling, Associate Dean of Undergraduate Studies, Tuesday, February 16, 2016 at 10:25 AM]
