

## GET AHEAD WITH SUMMER 2021 ART!

Work toward an Art Minor or General Education requirements! We designed summer classes with you in mind. The Department of Art is excited to provide you with a variety of courses online this summer in Animation, Digital Illustration, Graphic Design, Digital Art and Design Foundations, and Art Appreciation.

## ADVANTAGES

- All students and majors are welcome - there are no restrictions!
- Work toward an Art Minor (15 credits) or advancing your graduation date
- Online flexible classes
- ART 2100 Art Appreciation is designated for both Non-Literature and Cross Cultural Awareness (CCA) General Education requirements.
- The state of SC allows in-state undergraduates taking 12 or more credits to use one of the semesters for Life or Palmetto scholarships.

**ART MINOR** A minor in Art requires ART 1510; one of AAH 1010, AAH 1020 or ART 2100; at least six credits of ART or AAH courses at the 2000 level or above; and at least three credits of ART or AAH courses at the 3000 or 4000 level. Students must declare an Art minor before they complete 60 credits, and the program normally requires up to four semesters to complete.
