Program Overview
This course is specially designed as a summer Study Abroad course, for which students can earn 3 hours credit for History 4000 or History 4710. The only prerequisite is a GPA of 2.3 or higher. This program is designed to be a study of World War II from the Allied landing in Normandy to the Battle of the Bulge, with emphasis on the fighting in France and Belgium during that period. Much of the instruction will be via Canvas but the focus of the course will be a twelve day trip to France and Belgium. The trip will utilize on-site tour guides provided by a professional military historical tours company and will consist of visits to battlefields, museums, and cemeteries. In order to pass the class, students must participate in the trip to Europe as well as complete other assignments listed in the syllabus.

Program Activities and Preparation
Cross-cultural activities and accessibility will include prearranged contact with local guides and informal discussions with citizens in Normandy and Belgium.
