

HISTORY 3630: BRITAIN SINCE 1688

Summer II (June 28th-August 3rd 2021)

Professor Michael Silvestri

The history of Britain from the “Glorious Revolution” of 1688 to Brexit. We’ll explore British history through film, literature and music, as well as writings by historians. Topics include the rise and fall of Britain’s global empire, the monarchy, industrialization and industrial decline, the growth of political democracy, the World Wars and everyday life and popular culture. Online course.
