Students have the opportunity to earn 6-9 credit hours while spending the summer in Australia! The first 4 weeks of the program will take place at the University of New England in Armidale, NSW. The program features an orientation weekend in Sydney, weekly field trips and overnight excursions, and site visits to local agricultural operations in the area.

**COURSEWORK**

- AGRB 3090: Economics of Agricultural Marketing (3 credits)
- AGRB 3510: Principles of Agricultural Sales (3 credits)
- Students participating in an internship after the program will have the option of receiving 2-3 credits in AGRB 4900: Independent Study for Clemson Agribusiness in Australia

**DATES**

- May 16 - June 14, 2019
- Students have the option to add on a 4-6 week internship after the academic portion of the program
