## Reservation and Usage Policy

The department of Campus Activities & Events strives to create environments that enhance the quality of life on our campus. Campus Activities & Events venues serve as important gathering places for students, faculty and staff as well as visitors. We are proud to employ Clemson University students to manage events and provide excellent service for our guests and we look forward to serving you! Questions, concerns and suggestions are always welcome at 864-656-4636.

### RESERVATION PROCEDURE

Completing a Reservation Request Form begins your event review process with our staff. Once we have received all necessary information from you, we will determine if we can accommodate the event based on timing, staffing, and technical needs. Reservation requests are accepted on a first-come, first-serve basis up to one year in advance to avoid conflicts with previously requested events. While a minimum of **48 hours** is required to place a request for a Pre-Set Space, **at least two weeks notice is required for other events.**

You may submit a request by visiting the Campus Activities & Events' Hub in the Hendrix Student Center on the second floor during our normal business hours. Fully completed Reservations Request Forms (including any set-up and technical needs) may be submitted during business hours Monday-Friday from 8am to 6pm (subject to change during University holidays and breaks) at the Hendrix Student Center Guest Services Desk Hub, emailed to reserve@clemson.edu, faxed to 864-656-6119, or on-line via Virtual EMS <http://www.clemson.edu/virtualems/>.

Incomplete Reservation Request Forms **WILL NOT BE PROCESSED** and will be returned via email to the email listed on the form. Student groups not in Recognized Student Organizations are limited to reserving **PRE-SET SPACES** only, up to 14 days in advance.

Student Organizations whose recognition is undergoing review for any reason, will be considered non-affiliated until the formal recognition or re-recognition is complete.

**Please refer to the "Billing for RSO" on PAGE 7 for billing information.**

- Student groups not in Recognized Student Organizations are allowed to submit Reservation Request Forms for **PRE-SET SPACES** only, up to 14 days in advance, and a minimum of **48 HOURS** prior to the event date.
- Pre-Set Space Reservation Request Forms must be submitted a minimum of **48 HOURS** prior to the event date.
- Other events that require additional equipment, personnel, or technical needs require a Reservation Request Form be submitted at a minimum of **TWO WEEKS**.

### **Campus Activities & Events WILL NOT hold a space if the necessary documents/forms are not received in the appropriate time frame outlined below:**

- For reservations requests placed 3 weeks to 1 year in advance of the event date, a signed reservation request form, related set-up diagrams and any signatures (see page 4) are required **TWO WEEKS** before your event date in order to avoid the cancellation of your reservation request.
- In the event that Campus Activities & Events' staff can accommodate and approve an event within **TWO WEEKS**, a signed reservation request form, related set-up diagrams and any signatures (see PAGE 4) are due immediately upon approval in order for the reservation to take place.

The contact person listed on this form must be a current Clemson University student and agrees to: 1) be our sole contact for all event-related questions 2) to be available in person from the arrival time noted above until the very end of the event.

### CONFIRMATIONS

**A reservation request is considered confirmed only when you receive an email that notes a "confirmed" status along with your reservation number.** Prior to that time, your reservation will remain a **REQUEST** as we verify availability, review equipment and staffing needs, and wait for the responsible party to return any necessary forms and/or signatures. Once the event is confirmed it is considered a binding agreement.

If you disagree with any information outlined on your **CONFIRMATION**, you must respond via email to reserve@clemson.edu to discuss with a manager within two business days from the date of the confirmation email. Changes to the confirmation after this time may not be able to be honored.

## Reservation and Usage Policy (cont.)

### BLOCK BOOKINGS

Recognized Student Organizations who have reoccurring meetings may request block bookings (subject to availability) each academic year by submitting a Block Booking Reservation Request as follows:

- Beginning on NOVEMBER 1<sup>st</sup> for bookings in the Fall Semester (July - December) of the next academic year.
- Beginning on MARCH 1<sup>st</sup> for bookings in the Spring Semester (January - June) of the next academic year.

### FACILITY USE POLICY

Groups may use any space in accordance with the Facility Use Policy that can be found at: <http://www.clemson.edu/administration/student-affairs/cae/facilityuse/>

Campus Activities & Events reserves the right to enforce the Facility Use Policy, collect damage fees, or ask a group without a reservation to leave the facility if an event is in conflict with another reservation group. Non-affiliated groups using any area without a confirmed reservant may be subject to eviction, fines, and referral to the appropriate disciplinary body.

### CANCELLATION/NO SHOW POLICY

**A reservation eliminates the opportunity for other groups to use the facility; therefore, penalties will be enforced for groups who do not adhere to this policy. Campus Activities & Events recognizes there are circumstances where cancellation becomes necessary through no fault of the organizing party.**

- A Reservation Request must be canceled in writing or via email **AT LEAST TWO WEEKS** before the event date unless specified in writing by a Campus Activities & Events event coordinator. Any cancellations within two weeks will be charged a \$50 "Late Cancellation Fee". Repeat occurrences may lead to the requesting organization being put on Reservations Alert which can lead to losing future reservation privileges.
- In order to maintain an adequate level of inventory and serve as many students as possible, we ask that requested equipment be canceled in writing or via email **AT LEAST ONE WEEK** before the event date unless specified by a Campus Activities & Events event coordinator.
- Organizations/groups who fail to show up for their reservation will be charged a \$50 "No Show Fee" and any additional costs incurred by the facility to set/strike the event. Repeat occurrences may result in the requesting organization being put on Reservations Alert which can lead to losing future reservation privileges.

### RAIN PLAN

**All clients who are hosting an outdoor event are encouraged to plan an alternate date and/or alternate venue in case inclement weather impacts the preferred date/location. Clients should work with an event coordinator or reservation specialist regarding the inclement weather plan specific to their event. SEE PAGE 2 to select a rain plan.**

- If **RAIN LOCATION** in an alternate CA&E venue is selected, a \$50 non-refundable fee will apply and will be due at the time the reservation request is placed.
- A **RAIN LOCATION** request will not be accepted without a diagram for the location.
- CA&E staff reserves the right to change/cancel any equipment that could potentially be harmed by rain, or that can harm a landscaped surface (grass) after a period of rain.
- Best efforts will be made to ensure that reservations/events moved indoors are successful, in accordance with safety regulations.
- Changes may be made to the event by CA&E due to occupancy, inventory and staffing limitations.
- If **RAIN DATE** in a CA&E venue is selected, no "late cancellation" fee will be incurred for the original requested date.
- If **CANCEL** is selected as the rain plan, CA&E will not charge client for space, "late cancellation", or equipment in CA&E inventory. Third party vendor equipment and staffing may be invoiced at the discretion of the vendor.

## Reservation and Usage Policy (cont.)

### CHANGE OF LOCATION/RIGHT OF REFUSAL

Campus Activities & Events reserves the right to not process a request or cancel a reservation in the event there is a facility, health, or safety issue. Campus Activities & Events reserves the right to make necessary changes in room/area locations as needed to accommodate the needs of the operation. Every effort will be made to give ample notice of any changes.

### OUTDOOR, MAJOR, AND SPECIAL EVENTS

CA&E reserves the right to evaluate reservations and designate them as "Special Event" or "Major Event". This may apply to reservations that are complex, have contracted speakers/performers, have bands with multiple instrument/vocal needs, require extensive or specialized staffing, require specialty equipment, and/or for safety and security reasons.

- "Special Events", "Major Events" and Outdoor Events that require more than the basic event services stated above will be billed according to the standard billing rates for additional equipment and staffing.
- Reservations that are confirmed within 2 weeks of the reservation date or that require extensive changes within 2 weeks of the reservation date may be designated "Special Event" as they require altering set inventory and staff schedules.
- MOVIES: United States Copyright Laws apply to any movie shown, and you will need to purchase the appropriate license to show any film on campus. (Note: Checking out a movie at the library does not constitute the purchase of a movie license.)

### FRONTING

The event contact listed on PAGE 1 is considered the responsible party for the reservation and must plan and **be present** at the event. A student organization or other student group may not "front" for another group for the purpose of gaining access to a space, and/or receiving free or reduced fees. For example, a recognized student organization or other student group may not reserve a space or equipment on behalf of a non-affiliated entity or university department. If a reservation or event is determined to be a front for a CU department or outside entity, the Recognized Student Organization (RSO) will be charged billing rates accordingly and will lose reservation privileges. RSO's collaborating with CU departments and/or outside entities may be reviewed by CA&E Reservations Manager before a Reservation Request will be confirmed.

### INVOICES AND BILLING

**If you disagree with any information outlined on your INVOICE, you must respond via email to [reserve@clemson.edu](mailto:reserve@clemson.edu) to discuss with a business manager within two business days from the date of the INVOICE email. Changes to the INVOICE after this time may not be able to be honored.**

- A deposit may be required in order to secure inventory from event partners or third-party vendors.
- Invoice payments will be due within 30 days of the invoice date. Any deposit/payment will be applied and the financially responsible party will receive an invoice for the balance due following the event. Recognized student organizations can pay via IDO, non-University credit card, cash or personal checks. Payments are to be sent or delivered (during business hours) to CLEMSON UNIVERSITY, CAMPUS ACTIVITIES & EVENTS, 203 Hendrix Student Center Clemson, SC, 29634. If you have any questions about your invoice or how to make a payment, please email a reservations manager at [reserve@clemson.edu](mailto:reserve@clemson.edu). Credit card payments can be made online by following the link on your invoice.
- Groups who have a past due balance will lose their reservation privileges until all fees are paid.

## Reservation and Usage Policy (cont.)

### STAFF CHARGES

- All groups are required to pay for after-hours staff charges for events that require set-up or break-down outside of our normal operational hours.
- Staff charges may also apply if the event requires professional technicians, stage hands, and/or special services. Special services may include parking attendants, police, EMS, or guest service representatives.
- Campus Activities & Events reserves the right to adjust staffing levels to ensure the safety of all patrons and provide for excellent guest services.
- Trained student volunteers provided by RSO's may be used in some circumstances with approval from Campus Activities & Events staff.

### CLEANING CHARGES

- All trash should be left in approved receptacles. Approved supplies and equipment brought to the venue by the client must be removed at the completion of the event.
- RSOs and groups may be charged for cleaning arrangements if the event/reservation extends beyond 11pm (hours subject to change during school breaks), in the event that damage occurs within the facility, or if excessive trash constitutes extra cleaning efforts to return facility to normal condition.
- Campus Activities & Events will assess the need for additional cleaning and will invoice accordingly.

### DAMAGES

Customers are responsible for cost of repair of any damages incurred to the venue or Campus Activities & Events' equipment during the course of the reservation.

### SECURITY

- CU Police Department will be notified of all events scheduled through Campus Activities & Events. Campus Activities & Events and the CU Police Department will determine the security staffing needs. CUPD or a third party security company may be required for large events, events open to public, events featuring celebrity speakers, or performers, or events after hours. Customer is required to pay the cost associated with providing security and appropriate event staffing.
- If applicable, Campus Activities & Events management will determine the number of trained event and technical staff needed. Any approved volunteers may be required to attend training or briefing as needed.
- Campus Activities & Events management will determine the need for EMS/Fire staffing based on the event. Any cost associated with required Fire/EMS staffing will be the responsibility of the client.
- Campus Activities & Events management may require wandering and/or bag checks at point of entry.
- Groups featuring non-affiliated speakers, performers, artists, etc. will need to ask for proof of liability insurance to the satisfaction of the university risk management based on the nature of the event and to name Clemson University as additional insured. University departments and recognized student organizations are covered by the university's general policy. Any additional insurance required will be at client expense.

### OTHER ITEMS AVAILABLE

We are here to help you find whatever you need to make your event a success. We can help you work within your budget to arrange pipe and drape, barricade, centerpieces, props, decor, entertainment, directional and promotional signage, marketing, specialty linens, ticket stock, etc. We can provide billing consolidation and event coordination. A cost worksheet outlining all external costs must be agreed to prior to confirmation.

## Reservation and Usage Policy (cont.)

### ARRIVAL TO EVENT

Please note that our event management software does not allow errors such as double-booked events. However, if you arrive and someone is in your space, **please confirm that you have arrived for your event at the time you specified** and the time listed on your confirmation from our office. If you have arrived at the time specified, please notify a Campus Activities & Events staff member by calling the number listed on your reservation confirmation and we will be happy to assist you.

### FOOD/BEVERAGE/LINEN SERVICE

CU Dining Services is the exclusive food service provider for Clemson University. CU Dining Services provides full-service catering options as well as basic linen service as requested. All events serving food and/or beverages must be approved by Campus Activities & Events and CU Dining Services before food and/or beverages can be served, sold, or handed out. In the event that food items are donated to a group or organization for an event, Campus Activities & Events and CU Dining Services must still approve all items to make sure it is in compliance with DHEC and university policies.

### DECORATIONS

Only free standing decorations or table decorations are allowed. Hanging or taping materials from ceiling, posts or walls is prohibited. All props or decor must be removed from the area immediately after the event. Any items left at the facility must have advance approval from the facility manager. Proper disposal into trash containers behind the facility loading dock is required. Helium balloons are permitted only in the Hendrix Student Center ballrooms and meeting rooms, not in open areas where they may escape into the atriums. Helium tanks must be on proper transport dollies. Flyers, posters and handbills must be approved before posting and may not be taped to any surface of the venue. Banners and approved signage may be hung by Campus Activities & Events staff. Open flames, candles, glitter and/or confetti are not allowed.
