

Form IS-100, Request to Transfer-In F-1 SEVIS Record

Universities are required to inform SEVIS of all F-1 transfers from one school to another, regardless of whether or not the student intends to travel outside of the United States. An F-1 transfer means that you entered the U.S. on one school's I-20, and you are changing to the I-20 of another school. To complete an F-1 transfer to Clemson University, you must do the following.

1. Complete Student Information Section Below
2. Notify the school you are currently attending of your intent to transfer to Clemson University. A Designated School Official (DSO) at your current school will need to complete the Academic Institution Section of this form. The institution from which you are transferring will update your SEVIS record to indicate your intent to transfer to Clemson University and will enter a "transfer release date". On that date your SEVIS record will become accessible to Clemson University.
3. Upload this F-1 Request to Transfer-In Form to your iStart Student Portal on the *SEVIS Transfer IN Request E-Form*.
4. Report to the Office of International Services (IS) no later than 15 days after the start date indicated on your Clemson I-20 to complete the transfer process. Bring all immigration and travel documents with you.
