Alpha Delta Pi

Zeta Nu Chapter
Clemson University

2022
Welcome to Zeta Nu!

Originally called the Adelphean Society, Alpha Delta Pi is the first secret society for women in the world and forged the way for women in the fraternity system. We were founded in 1851 at Wesleyan Female College - the first college in the world chartered to grant degrees to women.

Our founder Eugenia Tucker Fitzgerald, was just 16 years old when she left for college and recognized the importance of women coming together for personal development and improvement.

Zeta Nu was founded in 1976 and most recently we just won Chapter of the Year for 2022!
Since 1979, Alpha Delta Pi has been committed to serving Ronald McDonald House Charities. Over the course of our partnership, Alpha Delta Pi has contributed more than $9.0 million to this worthwhile cause and we recently purchased a room at the Ronald McDonald House in Greenville, South Carolina to further support the families of this residence.

Our chapter is lucky to have a Ronald McDonald House located so close to campus. We take frequent trips to the house in Greenville, SC to prepare meals for families staying there.

We also raise money throughout the year at our Pi Spike volleyball tournament, Letter Writing Campaign, and the Spring JLF Memorial Golf Tournament.
