

Clemson Greek Experience Membership Development Program

Purpose

- The purpose of the Clemson Greek Experience Program is to craft the Clemson University fraternity and sorority membership experience that allows individual members to fulfill the mission of the Division of Student Affairs which is to prepare and empower students to make a difference as global citizens. This program provides fraternities and sororities with a framework to provide their members with purposeful co-curricular education that complements the academic mission of Clemson University. Fraternities and sororities can also become greater campus partners by co-sponsoring programs with academic departments, Student Affairs offices, and non-Greek student organizations.

Clemson University Fraternity and Sorority Member Expectations

- As a result of being a member of the Clemson University fraternity and sorority community, members will:
 - Become leaders inside the classroom and lifelong learners after graduation.
 - Learn how to make healthy lifestyle choices and create a culture of care for one another;
 - Develop an awareness of local and global issues affecting communities through service to create positive social change;
 - Explore their personal interests, values, leadership style, ethics, and beliefs;
 - Prepare to live in a global community through understanding others' commonalities and differences;
 - Be involved in a holistic Clemson experience to become engaged alumni;
