Alpha Phi, founded by ten women denied admittance to men's fraternities at Syracuse University, encompasses the values of sisterhood, innovation, generosity, and strong character. Alpha Phis share a proud history. From leading the establishment of the National Panhellenic Conference, to being one of the first women's groups to found their own charitable organization, Alpha Phis not only contribute to our communities but give back in milestones.

We are dedicated to advancing leadership development, encouraging academic excellence, improving women’s heart health, supporting sisters in need, and educating about the value of philanthropy. Alpha Phi is proud to be a sisterhood of women supporting one another in lifelong achievement!
PHILANTHROPY AND SERVICE
The Alpha Phi Foundation

WOMEN’S HEART HEALTH

Heart disease is the #1 killer of women, more than all forms of cancer combined. Alpha Phi supports this cause in many ways: donating to heart health research, writing cards to hospital patients, fundraising, and raising awareness/educating people about women’s heart health.

THE FORGET ME NOT FUND

Designed to provide short-term financial relief for an unforeseeable circumstance. These grants offer Alpha Phis in need the greatest gift of all: the knowledge that their sisters care and are always there to help. One of Clemson Alpha Phi’s very own alumni was blessed to receive this grant after an unimaginable health diagnosis.

LEADERSHIP

Alpha Phi Foundation supports Alpha Phis as they develop, grow, and empower others in leadership with cutting-edge training and programs. Through annual fundraising, grants to the fraternity and endowed funds from individuals, the Foundation advances the lives of women to the benefit of communities around the world.
