PHILANTHROPY & SERVICE

Reading is Fundamental

RIF is our national philanthropy which addresses the alarming illiteracy crisis in America. Epsilon Mu hosts events at local elementary schools with reading-themed activities, refreshments, and free books. Many Kappas sign up to be reading buddies, tutors and mentors to young local students.

Community Service

Epsilon Mu dedicates itself to serving the community on a local level through various organizations like Clemson’s habitat for Humanity, local nursing homes, and dog shelters as well as on a broader level with the Red Cross, Multiple Sclerosis Society, and the Kappa Kappa Gamma Foundation.

Greek Philanthropy

Clemson KKG chapter prides itself on its involvement in other Greek chapter’s philanthropies, always having high attendance at Greek Week, Relay for Life, and Dance Marathon. All of these proceeds go to benefiting each respective chapter’s philanthropies.
