Gamma Phi Beta was founded on November 11, 1874 at Syracuse University, becoming the first female organization to coin the term "sorority". More than 145 years later, there are currently about 180 collegiate and alumnae chapters across the U.S. and Canada with more than 234,000 initiated members and counting.

The Epsilon Theta Chapter at Clemson University was founded on April 9th, 1988. Today we have over 270 active members. Each of our sisters exemplify Gamma Phi Beta’s four core values: Love, Labor, Learning, and Loyalty. Our mission is to build confident women of character who celebrate sisterhood and make a difference in the world around us.
Girls on the Run
Gamma Phi Beta proudly supports Girls on the Run as our national philanthropic partner! GOTR is a non-profit organization that inspires young girls of all backgrounds to recognize and embrace their inner strength. This semester-long after school program teaches 3rd-5th valuable lessons about physical, mental, and emotional well-being and culminates in a 5K. Epsilon Theta loves working hands-on with the Liberty and Pickens Elementary School Program, where our sisters are coaches, running buddies, and role models.

Moonball
Every fall semester, Epsilon Theta hosts a basketball tournament in which teams made up of Clemson organizations compete against one another. During our 2019 Moonball, we raised $11,770 for our local GOTR chapters! Our members love participating by coaching teams, cheering on favorites, and acting as referees during the 3v3 games. Though the 2020 fall semester looked different, our chapter was determined to continue our philanthropic spirit. In response to COVID-19 restrictions, we hosted a Virtual 5K. Sisters, friends, and family members helped us to raise $9,578 for GOTR!

Lip Sync
During the Spring Semester, we host our annual lip sync battle, a competition featuring performances by Clemson organizations and Greek Life members. As one of the most iconic events on campus, other sororities, fraternities, and clubs are always excited to show off their best moves and compete to win prizes and money for their own philanthropies. Our GOTR team from Liberty Elementary also kicks off the night with their very own performance! In 2021, we raised over $5,000 to provide supplies and support for our local chapters of Girls on the Run.
KEY EVENTS & PROGRAMS

Sisterhood Events
