ALPHA TAU OMEGA

CLEMSON UNIVERSITY – ETA PI CHAPTER

ORGANIZATION AND CHAPTER HISTORY

- ATO was founded by three cadets at the Virginia Military Institute in 1865
- One of the founders' main goals was to reunite young men from the North and South after the Civil War to heal the wounds of a fractured nation
- Today, ATO nationally has over 200,000 members (more than 6,500 undergraduates)
- Originally known as Delta Kappa Alpha (DKA), The Eta Pi chapter at Clemson University was officially chartered in 1972, and re-chartered in 2005
- Eta Pi enjoys a rich heritage of involvement with the university that often continues after graduation, and provides members with opportunity for involvement in all areas of College life
- Our Chapter was recently named 2021 IFC Chapter of the year for the second year in a row and won several FSL and School awards including Alumni Development, Campus Involvement, Chapter Development, Philanthropic Service, Scholastic Achievement, and Fraternity and Sorority Involvement

THE CREED OF ALPHA TAU OMEGA

To bind men together in a brotherhood based upon eternal and immutable principles, with a bond as strong as right itself and as lasting as humanity; to know no North, no South, no East, no West, but to know man as man, to teach that true men the world over should stand together and contend for supremacy of good over evil; to teach, not politics, but morals; to foster, not partisanship, but the recognition of true merit wherever found; to have no narrower limits within which to work together for the elevation of man than the outlines of the world: these were the thoughts and hopes uppermost in the minds of the founders of the Alpha Tau Omega Fraternity.

PHILANTHROPY & SERVICE

- Philanthropy and Community service are two of the things that our chapter take the most pride in
- Our main philanthropy program is called “Viking Week”. Each spring it involves the Clemson Panhellenic Sororities in a weeklong friendly competition of team events such as tug of war, dodgeball, and a boat race in the famous reflection pond that help raise money for a local nonprofit.
- This past year, Eta Pi set a chapter and Clemson IFC record by raising over \$60k for Upstate Warrior Solution, a local organization that provides veterans with support in transitioning back into civilian life. (News Story <https://www.wyff4.com/article/clemson-fraternity-races-boats-across-reflection-pond-looking-to-break-fundraising-record/31405641>)
- Our chapter takes part in various community service programs such as volunteering for Soapstone Baptist Church, Highway Cleanup, Cooking chicken for Collins Children’s Home annual banquet, Clemson LIFE, and many more individual programs that members volunteer with
