Kappa Alpha Order

DELTA OMICRON CHAPTER
AT
CLEMSON UNIVERSITY
Organization and Chapter History

- Founded on Dec. 21st, 1865 at Washington University (Now Washington and Lee University)
- Founded at Clemson University in the year 1970 (50th year on campus)
- One of the few organizations to remain on Clemson’s campus for the entirety of that duration
- Six main values of our chapter/organization: Reverence, Gentility, Knowledge, Leadership, Brotherhood, and Excellence
Philanthropy and Service

► Even with COVID-19 this past year, we were still able to raise $8,000 for the TFEW scholarship fund.

► Worked on the H2O Housing project in Greenville, South Carolina (This project will allow for people within the area to have access to everyday needs, such as washers and dryers. Kappa Alpha Order has also contributed to the funding of the project through Emmanuel’s Hammer.

► Strong chapter participation in other organizations’ philanthropy in order to benefit a wide variety of causes.
Key Programs and Events

- **KA Academic Mentor Program:** One of our members who is doing well in a specific subject/class will reach out and help aid other members who are struggling in that area.
- **TFEW Memorial Cocktail:** Silent auction with great music and food held in honor of brother Thomas Few; all proceeds go to the Clemson LIFE Program.
- **Rose Ball:** End of the year formal held in Myrtle Beach, South Carolina during a weekend of April.
- **Bondo Cup:** Alumni and Chapter Golf Tournament held at Boscobel Golf Course in Pendleton, SC.
Requirements for Membership

- To meet the qualifications for membership, all potential new members must meet the requirements for membership stated by IFC.
- In order to participate socially within the chapter, all members are required to maintain a GPA of 2.7 on the 4.0 scale.
- All members of the chapter are expected stay current with their financial responsibilities to the chapter.
