Cayce Pasko, CU Fraternity & Sorority Life
Jennifer Goree, CU Healthy Campus
Chloe Greene, CU Healthy Campus
Dave Eckstein, Community Member
Lisa Kuklinski, Pickens Co. Advocacy Center

MINUTES

CCC Business
• Fall Crawl report – Saturday, October 21
  o As in years past, Fall Crawl has fewer participants than Ain’t Pattys Day. It’s a popular event but the participation has decreased over the past few years. Tate reported that no major incidents arose.
  o Jessica Gibson (BHS-Pickens Co.) shared that her brother in law, Kyle Stelling, who is a 5th grade teacher at Six Mile elementary received a donation from Ain’t Patty’s day 2017 t-shirt sales. The money was used to purchase reading books for his students. It was facilitated by DonorsChoose.org.
  o The Fall Crawl event page said that “Although the event is not an official charity event, the event does raise money for local organizations. The past two events raised a total of over $10,000 for Feeding America and DonorsChoose.com.”
  o Healthy Campus engaged in social media safety posts and CU Water Drop dropped off water at local bars/restaurants.
• Steps to engage with downtown residents
  o Crystal is in the process of connecting with Elaine Richardson and the downtown neighborhood associations. Crystal will offer to attend a neighborhood association meeting and/or invite them to visit the CCC.
• Bus monitors
  o Chana is assessing if this is a possibility from a liability perspective. She has already identified groups of students who would be willing to volunteer as bus monitors on busy nights.
  o Tate noted that on busy nights downtown, CAT has extra employees at the bus stations downtown to count the # of people going on and off the buses, and to help in managing the crowds.
  o Tiger Transit cannot be used to transport intoxicated individuals; therefore, bus monitors would not be necessary on Tiger Transit.

Clemson University
• Domestic Violence Awareness Month (DVAM) report – October
  o Thanks to those who served on the committee and offices of Advocacy and Success, CAPS and Clemson Athletics.
  o Over 500 students, athletes, and staff attended the keynote speaker (Mark Herzlich) from the Joyful Heart Foundation.
Clemson Against Drunk Driving (CADD) week – CUSG

- November 6-10
  - All week – “Don't drink and drive/Plan a safe ride home” (on the CATBus marquee)
  - Monday – tabling on Library Bridge
  - Activities with drunk goggles, flyers
  - Wednesday evening
    - CUSG selling $1 grilled cheese and giving away bottled water. Water Drop giving away water.
  - Thursday night
    - May be selling grilled cheese and handing out water again.
    - A busy night to go out and people in town for the game. CATBus may run an extra route because there will be a lot of people out using transit.

City & Community

- Football Report
  - Tate reported that the GT game was busy, but the rain kept many people away.
  - CUPD noted that this football season has been relatively uneventful and the number of stadium incidents is down.

- Downtown Safety
  - Chief Brothers (CUPD) is talking with Johnson Link and Chief Dixon (CPD) to decide whether to move forward with a message regarding the increase in non-affiliated Clemson individuals downtown. Chana will follow up.

- Alcohol & Other Drugs Creative Inquiry
  - Hosted a successful alcohol outreach education event on campus in October: “The Filling Station”. The next Filling Station will be held on Thursday, November 9th in the Horseshoe on campus.
  - PCAC is interested in partnering in the spring.
  - Leasa Evinger expressed interest in offering a Filling Station event close to Spring Break next year.

- CU Graduate Student Government
  - GSG is planning to have de-stress events in December. They are planning to partner with CAPS and Healthy Campus.

- Greg Phlegar (OCES) wants to table a future conversation around the MAAP policy
  - It doesn’t seem like Clemson has a culture of reporting or looking out for each other; reporting numbers seem low. How can the coalition help to foster this?
  - MAAP is currently under review. “Other drugs” has been added, but is not yet in place.
  - The coalition should think critically about how to encourage bystander intervention attitudes in all areas of life.
  - Marketing initiatives were suggested.
    - Campus Safety Month
    - Messaging geared to a students’ sphere of influence.
    - March “Map-ness”
    - Ain’t Patty’s Day

Announcements

- Aspire Facilitator applications for the 2018-2019 year are open until November 3. Apply via Clemson Job Link. Contact: Chloe Greene (ccgreen@clemson.edu).

Upcoming Meetings: 1st Wednesday of the month, 3:30-4:30pm

Clemson Community Coalition

Page 2 of 3
Vision: We envision a campus and community committed to a high quality of life free of the impact of substance abuse and its adverse effects.

Mission: To reduce high risk alcohol and other drug (AOD) use primarily among college students in our area through coalition building, environmental management, awareness and education.
