**PERMIT GUIDELINES**

**VISIT CLEMSON.EDU/PARKING/PERMITS FOR FULL DETAILS**

Everyone (excluding visitors who park in metered spaces) must obtain and display a permit to park anywhere on campus at any time. Short-term and temporary permits are available for those with short-term business on campus or for students who must switch out cars for any reason, e.g., using their parents’ car. This makes you a CU Permit Holder.

- Rules are enforced year-round, including days when classes are not in session.
- Any vehicle, person or permit with three or more past-due citations may not park on campus and is subject to tow.
- If you park anywhere other than a marked space, your vehicle may be towed.
- Towed vehicles may be retrieved from Parking Services during business hours or after hours from the CU Police Department.
- If a permit is lost or stolen, call at 864-656-3553 or visit them in 223 Brackett Hall.

**METED PARKING**

Visitors and CU permit holders (CUPH) must pay to park in designated multi-space metered areas under these guidelines:

- Everyone (excluding visitors who park in metered space) must obtain and display a permit to park anywhere on campus at any time.
- Payment is required by all users 7 a.m.-10 p.m., seven days a week, using cash, credit or by phone (using the Flowbird app).
- Visitors - No permit required. “Three-Hour Visitor Meter Limit” or as otherwise posted.
- CUPH: park for the “One-Hour CU Permit Limit” or as otherwise posted. Not: some meters are for “Visitors Only” and may not be used by a CUPH.

**MOTORCYCLE/MOPED**

- Everyone must obtain and display a parking permit to park a motorcycle or moped anywhere on campus at any time.
- Motorcycles and mopeds may only park in designated motorcycle and moped parking areas.

**ON MOTORCYCLES, THE DECAL SHOULD BE PERMANENTLY AFFIXED TO THE LEFT FRONT FORK. ON MOPEDS, THE DECAL SHOULD BE PERMANENTLY AFFIXED TO THE REAR WHEEL COVER.**

**KEEP YOUR VEHICLE INFO UP TO DATE**

For your parking permit to be valid, your vehicle information (license plate number, make, and model) must be accurate and linked to your permit. Wrong vehicle information may result in a parking citation or tow.
