Everyone (excluding visitors who park in metered spaces or areas) must obtain and display a permit to park anywhere on campus at any time. It is your responsibility to make sure that the vehicle information linked with your parking permit is correct.

The Vendor permit is valid for parking in several areas outlined below (except when reserved for special events):

- Parking is permitted in spaces and areas as assigned on each permit.
- A valid disability access permit is required to park in spaces and areas reserved for disability access.
- Timed areas (white parking lines with time limit, “TIMED” or “METERED” pavement marking) subject to posted time limit AND all meters must be paid for the duration of time parked in a space 7 a.m.–10 p.m. No restrictions or payment 10 p.m.–7 a.m.
- This permit is not valid for parking in the following areas:
  - Unrestricted employee spaces (unless specified on each permit)
  - Visitor spaces
  - Carpool spaces
  - Restricted spaces and areas (e.g., Special Use, ELT, Reserved, LEV/EV or ZipCar)
  - “24 HR” employee spaces
  - Spaces or areas posted as “Reserved for Special Event Parking”

Hangtags must be displayed from the rearview mirror of the vehicle. Paper permits must be displayed color-side up on the dashboard (driver’s side) of the vehicle. Vendor permits can be transferred to another employee within the same company who is not a student or employee of Clemson University. Permit placement pictures can be viewed online at clemson.edu/parking/permit.
