Everyone (excluding visitors who park in metered spaces or areas) must obtain and display a permit to park anywhere on campus at any time. It is your responsibility to make sure that the vehicle information linked with your parking permit is correct.

Faculty and staff will not receive repositionable decals to stick on the windshield. Your permit will be virtual and may be associated with up to 3 vehicles. Your license plate will be your permit. So as always, it is important to keep your account up to date at all times.

If you need to change vehicles, contact PATS.

Because your license plate is your permit, you are asked to **park your vehicle with the license plate clearly visible**. If you choose to back into a parking space and do not have a matching front license plate, please contact PATS.

If all employee lots are full, you can also park in other spaces and areas designated as Any Valid Permit.

The Employee permit is valid for parking in the following areas (except when reserved for special events):

- **Employee lots and areas (green parking lines)**
- **Park-N-Ride lots (P-5, P-6, P-7, and P-8) and areas with white parking lines in “P” lots 4 a.m.-2:30 a.m. the following morning**
- **Commuting student (orange parking lines) 7 a.m.-2:30 a.m. the following morning (unless otherwise posted)**
- **Visitor lots and areas (white parking lines with “VISITOR” pavement marking) 9 p.m.-7 a.m.**
- **Timed areas (white parking lines with time limit, “TIMED” or “METERED” pavement marking) subject to posted time limit AND all meters must be paid for the duration of time parked in a space 7 a.m.-10 p.m. No restrictions or payment 10 p.m.-7 a.m.**
- **LEV spaces and areas after 4:30 p.m.**
- **Employees are not authorized to park in Reserved, Special Use, ELT, EV, or any red-lined service vehicle spaces or areas at any time or as otherwise posted. Vehicles may be towed from these areas.**

**IMPORTANT NOTES:**

- In the event your vehicle breaks down in an unauthorized space or you need to load or unload near a building, you should contact Parking & Transportation Services during business hours or the Clemson University Police Department after hours for special permission and assistance.
- Any vehicle, person or permit with three or more past-due citations may not park on campus.
- If you park anywhere other than a marked space (between two lines or at a tire stop), your vehicle may be towed.
- Rules are enforced year-round, including days when classes are not in session.
- Clemson operates under revised parking regulations on game days. Check the Athletics website and Game Day information on the Parking & Transportation website for more information. Unauthorized vehicles may not park in areas designated for athletic event parking as of 12:01 a.m. the day of home football games and as posted prior to the start of any other sporting events.
- A portion of the Brooks Center parking lot is reserved for non-student and non-employee patrons during special events (see designation lot C-11).
