	15		15

TOTAL HOURS = 124

Footnotes:

¹ Students scoring below the designated score on the CMPT must take an approved math prerequisite for CH 1010 and STAT 2300 during this semester.

² See General Education Requirements.

³ If this requirement is satisfied by another course in the curriculum, elective hours must be taken to cover the credit hours.

*Classes and semesters with an asterisk cannot be moved to another semester.

Notes:

- A minimum grade of a C is required in the following courses for progression to junior year clinical courses: BIOL 1030/BIOL 1050 or BIOL 1100, BIOL 2220, BIOL 2230, CH 1010, MICR 2050 or MICR 3050, NUTR 2050, STAT 2300, and the approved MATH pre-requisite if required.
- A minimum grade of C is required in all NURS nursing courses.
- To progress in junior level nursing courses, students may not have received more than 2 final course grades that are fulfilling nursing degree requirements of less than a C in the last five years. Academic forgiveness counts as an attempt.
- A minimum grade point ratio of 2.5 is required for registration in each nursing course.
- Additionally, if the student's nursing GPA drops below a 2.5, the student is not eligible to continue in nursing.
- Students may repeat one nursing course only. Withdrawing with a W from the course or applying Academic Forgiveness counts as an attempt. Students who fail a second nursing course are not eligible to continue in nursing. A student who receives concurrent D's in Pathophysiology and Pharmacology may be eligible to retake both courses concurrently with prior approval from the School of Nursing.
- Students may not exceed a maximum of two attempts, to successfully complete any NURS course. Students who are not successful on a second attempt are not eligible to continue in nursing.
- Students must pass didactic and clinical components to pass all clinical courses.
