### Footnotes:
1. Students scoring below the designated score on the CMPT must take an approved math prerequisite for STAT 2300 during this semester.
2. See General Education Requirements.
3. All students must fulfill the global challenges requirement to be eligible for graduation. Six credit hours of Clemson-approved global challenges courses must be taken. Course transfers from other universities are not eligible. The required Nurs 3300 (Research) fulfills 3 of the 6 credit hours. Student is responsible for choosing and taking another non-NURS eligible course to fulfill the remaining 3 credit hours. See approved Global Challenges Courses.
4. See approved SC REACH Act courses. All undergraduate students who enter the university during summer 2021 or after must have credit for an approved social science course that also satisfies the SC REACH Act requirement. Students that have already earned credits that satisfy the SC REACH Act requirement may enroll in any approved social science course.
5. If this requirement is satisfied by another course in the curriculum, elective hours must be taken to cover the credit hours.
6. Classes and semesters with an asterisk cannot be moved to another semester.

### Notes:
- A minimum grade of a C is required in the following courses for progression to junior-year clinical courses: BIOL 1030/BIOL 1050 or BIOL 1100, BIOL 2220, BIOL 2230, CH 101, MICR 2050 or MICR 3050, NUTR 2050, STAT 2300, and the approved MATH pre-requisite if required.
- A minimum grade of C is required in all NURS nursing courses.
- To progress in junior level nursing courses, students may not have received more than 2 final course grades that are fulfilling nursing degree requirements of less than a C in the last five years. Academic forgiveness counts as an attempt.
- A minimum grade point ratio of 2.5 is required for registration in each nursing course.
- Additionally, if the student’s nursing GPA drops below a 2.5, the student is not eligible to continue in nursing.
- Students may repeat one nursing course only. Withdrawing with a W from the course or applying Academic Forgiveness counts as an attempt.
- Students who fail a second nursing course are not eligible to continue in nursing. A student who receives concurrent D’s in Pathophysiology and Pharmacology may be eligible to retake both courses concurrently with prior approval from the School of Nursing.
- Students may not exceed a maximum of two attempts, to successfully complete any NURS course. Students who are not successful on a second attempt are not eligible to continue in nursing.
- Students must pass didactic and clinical components to pass all clinical courses.
