Bottled water will be available. The head of each team/delegation should plan to bring shade tents for their individual teams. The Clemson Adaptive Sports program does not have the resources to purchase these items for each team.

Honest Effort: The Honest Effort Rule will be in effect for the Palmetto Games. In other words, if the Officials and Director determine that an athlete intentionally missed an event without scratching the night before and does not have a medical reason for scratching, he/she can be disqualified from all remaining events in that sport.

Sports Rules: The rules in the Move United rulebook and each US NGB will be enforced during all events. All competitors are expected to know the rules of each sport in which they compete as this is a sanctioned event.
