

Automotive Engineering Waiver Request

INSTRUCTIONS FOR COMPLETING THIS FORM
(Please read all instructions and policies before completing this form)

All waiver requests are reviewed by the Graduate Research Committee (GRC). The GRC reserves the right to approve or disapprove waiver requests upon review. The student and their advisor will be notified once a final decision has been made by the GRC. Students should review the AuE Graduate Manual for waiver requirements prior to submission of the request form. All waiver request forms must be accompanied by justifiable documentation as mentioned in the AuE Graduate Manual.
