CLEMSON
ELECTRICAL AND COMPUTER ENGINEERING

Holcombe Department of Electrical and Computer Engineering
VARIANCE REQUEST
REQUEST FOR ENROLLMENT IN UPPER LEVEL ECE COURSES
GPA

From Undergraduate Announcements:
ALL Electrical and Computer Engineering students with an overall GPA <2.0 will be limited on the number of ECE courses they take per term.

Each student case will be reviewed by the Variance Committee and individual recommendations will be made regarding the number of ECE courses a student may take per term. Students MUST adjust their schedule or their schedule will be administratively dropped.
