CAMPUS LOCATION

The Class of 1956 Academic Success Center building is in the center of campus adjacent to Cooper Library and the Watt Family Innovation Center.

INCLUSION STATEMENT

The Academic Success Center exists to inspire success in every student who participates in our programs and services. Celebrating and honoring the diversity of our students, faculty, and staff is at the core of inspiring success and a sense of belonging. The diversity of our Clemson community comes in many forms, but inclusion comes in only one form – when each member of our community experiences a real sense of belonging. We, the ASC staff, are committed to creating a welcoming and inclusive experience at the Center. We affirm that our goal of creating and delivering welcoming, inclusive, and equitable student learning experiences at the Center requires our active and ongoing commitment to listening and learning through engagement in professional development opportunities and confronting and dismantling inequalities. We acknowledge that this will be an ongoing work in progress and pledge to strive for continuous improvement.

ACADEMIC ADVISING

[Academic advising](#) is an ongoing educational process that connects the student to the University. Academic advising supports the University's mission of preparing the student for learning beyond the confines of the academy. Academic advisors represent and interpret University policies and procedures to the student and help the student navigate the academic and organizational paths of the institution.

COOPER LIBRARY

Do you need library sources but don't know where to start? Are you asking your students to search for a book, article, or data to support their argument? Not sure whether they know how to cite a source properly in their bibliography? Tell them to ask a librarian! Help is available in person at each of our locations: Cooper Library, Gunnin Architecture Library, and the Education Media Center. You can also chat with a librarian live from our website, by phone at 864.656.1557, or text 864.762.4884.

Extended research assistance with librarians who specialize in subject areas is also available by appointment. A list of librarians and their areas of expertise are listed on the [subject librarians page](#). Check the Library's [Ask Us](#) page for details. For assistance with digital projects, the Adobe Digital Studio is located on the 5th floor and is staffed to support the needs of you and your students. You can [download Adobe Creative Cloud](#) for free. The [Scholar's Lab](#) is a new space that provides support for data visualization, data analysis, and digital research methods. Check out the Library's [web page](#) for upcoming workshops and other events.

If you are having hardware or software problems, CCIT's Service Desk may be able to help you. Contact them by emailing ITHELP@clemson.edu, calling or texting (864) 656-3494, or starting a live chat at ccit.clemson.edu. The help desk is located in Cooper Library.

GRADUATE STUDENT SUCCESS RESOURCES

The Graduate School maintains a [collection of grad student resources](#) applicable to graduate students for professional development, governance, the handbook, and thesis/dissertation resources). It has resources regarding education, student life, and health and safety as well.

ELECTION DATES

U.S. local elections are facilitated through state and county municipalities. Students attending college may register to vote at their local campus addresses or choose to remain registered or register at their permanent or home address. The nonpartisan Campus Vote Project has compiled information for all students on state-by-state voter registration:

<https://www.campusvoteproject.org/state-student-voting-guides>.

The national midterm elections will be held on November 8. Voter registration dates differ by states, but the registration deadlines in South Carolina are October 7 (in person), October 9 (online), and October 11 (postmarked by mail).

Faculty and instructors of record may wish to inform students of these deadlines and may wish to incorporate nonpartisan voter education assignments into their courses. The [ClemsonVotes coalition](#) will be providing ideas and resources for faculty and instructors via [the Clemson Teaching Listserv](#) throughout the semester.

MICHELIN CAREER CENTER

[The Michelin® Career Center](#), in the Center for Career and Professional Development, assists undergraduate and graduate students in selecting appropriate fields of study, learning effective job searching strategies, and making connections with employers. Career counselors are available to meet with students to explore career or educational options, develop résumés and cover letters, hone interviewing techniques, conduct searches for internships and full-time jobs,

and ready themselves for interviewing with employers. In addition, students may utilize ClemsonJobLink, the Career Center's on-line recruiting system, to view part-time jobs, internships, and full-time job postings and to sign up for on-campus interviews. The Center's goal is to endow students with the skills and tools to find part-time jobs and internships while in school, as well as full-time jobs following graduation. Other information can be obtained from the [Career Center's website](#) or by calling 864-656-6000.

THE CENTER'S INTERNSHIP PROGRAM

This program brings together students and employers to facilitate academically enriching and mutually beneficial work experiences. This program offers on-campus, off-campus and international internship options. Students may participate in either part-time or full-time internships.

UPIC: UNIVERSITY PROFESSIONAL INTERNSHIP AND CO-OP

The University Professional Internship and Co-op (UPIC) Program offers students on-campus professional learning experiences. Students have the opportunity to work with Clemson faculty and staff on Clemson's main campus, as well as other sites across the state, while receiving an academic internship notation on their transcripts. Enrollment in the appropriate INT course and payment of the corresponding fee is a requirement of the program (e.g. INT 1510). In order to be eligible for the program, a student must have completed at least one full semester at Clemson University and be an enrolled and matriculating undergraduate student in good standing. Available internships are typically listed in ClemsonJobLink halfway through the semester prior to the experience. Additional information is available at <http://career.clemson.edu> or by calling the program office at 864-656-0282.

COOPERATIVE EDUCATION

The Cooperative Education Program (or Co-op Program) is a rigorous engaged-learning program designed to provide students with the opportunity to learn under a mentor in their field of study. Companies partner with the program to host the co-op student for two, three or more rotations and this in-depth learning experience becomes an integral part of the student's education. The co-op student's experience is monitored and evaluated by the faculty and academic staff of the Co-op Program. Co-op students are paid by the host company. Students enroll in the program and begin the matching process at the beginning of the semester. For more information, contact the program office at 864-656-3150 and speak with a co-op advisor.

[The Registrar's office](#) provides information about important deadlines, degree and program requirements, and other key information, including use of iROAR to add, drop, or withdraw from courses.

STUDENT ACCESSIBILITY SERVICES: ACCESSIBILITY STATEMENT

Clemson University values the diversity of our student body as a strength and a critical component of our dynamic community. Students with disabilities or temporary injuries/conditions may require accommodations due to barriers in the structure of facilities, course design, technology used for curricular purposes, or other campus resources. You can make an appointment by calling 864-656-6848, by emailing studentaccess@lists.clemson.edu, or by visiting Suite 239 in the Academic Success Center building. Students who have accommodations are strongly encouraged to request, obtain and send these to their instructors [through the AIM portal](#) as early in the semester as possible so that accommodations can be made in a timely manner. It is the student's responsibility to follow this process each semester. You can access further information at the [Student Accessibility website](#). CLEMSON POLICIES

ACADEMIC CONTINUITY

Clemson has developed an Academic Continuity Plan for academic operations. Should university administration officially determine that the physical classroom facility is not available to conduct classes, class will be conducted in a virtual (online) form. The university issues official disruption notifications through email, website, text notification and Social Media. When notified, use one of the following links to navigate to Clemson Canvas where you will find important information about how we will conduct class:

- Primary access link: <http://www.clemson.edu/canvas>
- Secondary access link, if needed: <https://clemson.instructure.com/>

- You can also use the Canvas Student App. [Visit the downloads page](#) for this app. Course activities will occur through the Canvas course.

ACADEMIC INTEGRITY

As members of the Clemson University community, we have inherited Thomas Green Clemson's vision of this institution as a "high seminary of learning." Fundamental to this vision is a mutual commitment to truthfulness, honor, and responsibility, without which we cannot earn the trust and respect of others. Furthermore, we recognize that academic dishonesty detracts from the value of a Clemson degree. Therefore, we shall not tolerate lying, cheating, or stealing in any form.

All infractions of academic dishonesty by undergraduates must be reported to Undergraduate Studies for resolution through that office. In cases of plagiarism instructors may use the Plagiarism Resolution Form.

See the [Undergraduate Academic Integrity Policy](#) website for additional information and [the current catalogue](#) for the policy.

For graduate students, [see the current graduate student handbook](#) for all policies.

ACADEMIC GRIEVANCES

Undergraduate students are advised to contact the Ombuds' Office prior to filing an academic grievance. If the undergraduate academic ombudsman agrees that a grievable issue has occurred, students can contact Undergraduate Studies (656-3022) for assistance filing official paperwork within 30 days of the semester following the awarding of a disputed grade.

Graduate students follow the [Graduate Student Handbook](#) (per the catalogue, "grievances must be filed with the Graduate School within 60 days of the alleged act.")

COPYRIGHT

Original works of authorship including but not limited to books, novels, poetry, articles, works of art, photos, images, videos, movies, music, architectural designs etc. are protected under copyright law. When copyright protected materials or portions of such materials are made available to you by an instructor, they are intended to be used for educational purposes, they are intended for use only by students enrolled in a particular course and only for instructional

activities associated with the course. They should not be retained in another medium or disseminated further for non-course related purposes unless you have permission to do so by the copyright owner.

COMMITMENT TO DIVERSITY

Clemson University aspires to create a diverse community that welcomes people of different races, cultures, ages, genders, sexual orientation, religions, socioeconomic levels, political perspectives, abilities, opinions, values and experiences.

THE CLEMSON UNIVERSITY TITLE IX STATEMENT REGARDING NON-DISCRIMINATION

All students and employees should be familiar with guidelines from the Clemson [University Police Department](#). [Visit here for information about safety.](#)

ONLINE CONDUCT

Appropriate online academic conduct means maintaining a safe learning environment based on mutual respect and civility. All participants in Clemson courses are expected to behave professionally by adhering to standards of conduct, such as:

- Never transmit or promote content known to be illegal or protected by copyright.
- Never use harassing, threatening, embarrassing, or abusive language or actions.
- Respect other people's privacy as well as your own.

Online interactions that fail to meet standards of conduct may result in being blocked from online discussions, receiving a grade penalty, or being dismissed from the course. Such misconduct in the online environment may also be reported to officials for appropriate action in accordance with University policy. If you ever encounter inappropriate content in your course, please contact [Matthew Briggs](#) and the instructor with your concerns.

RESEARCH

Please consult the [Clemson research policies](#). If a course includes the use of animals, [IUCAC regulations](#) must be followed. If a course involves any human subjects research, this research will comply with [campus IRB regulations](#). This includes research of the course itself, which, while it may fall under one of the exempt categories, needs IRB review.
