120 Total Semester Hours

¹ See General Education Requirements. Three of these credits must also satisfy the Cross Cultural Awareness Requirement.

² Twenty-eight credit hours selected from department approved list. No more than 14 hours below the 3000-level and no more than 8 hours below the 2000-level. Courses cannot be used to satisfy any other requirement.

³ Select from department approved list. Courses cannot be used to satisfy any other requirement.

⁴ Fifteen credit hours. Select from GEOL 3130, 3180, 4050, 4090, 4150, 4210, or 4820. Only excess hours can be used to satisfy STEM requirement hours.

⁵ GEOL 4750, or other 6 cr hr summer geology field camp, or a combination of GEOL 2750 plus a three credit hour field course in geology or other approved discipline. Students desiring to become registered professional geologists should take a six-credit hour summer field camp.

STS Requirement: _____

CCA Requirement: _____

Total # of General Education Hours Completed: _____
