**Participant Experience**

This work is supported by the National Science Foundation under Grant No. EEC-1638888.

---

**Development of Draft Research Agenda in Progress**

**THREAD ONE - INPUTS**

The thread of holistic faculty development inputs focuses on topics related to the characteristics of faculty members and institutions that serve as barriers or supports to the adoption and implementation of holistic STEM faculty development programs.

---

**THREAD TWO - MECHANISMS**

The mechanisms/processes thread focuses on topics related to the actual implementation of STEM faculty development and we consider the potential models or structures of STEM faculty development that are currently in place or conceptualized in theory.

---

**THREAD THREE - OUTPUTS**

The thread of outputs focuses on how to best understand the influence of STEM faculty development on identity in relation to faculty development, and how faculty development influences overall faculty wellbeing, career satisfaction, work-life balance, etc.
