At this time we only need to know that you are interested in becoming a UTA in the fall, as well as the number of sections that you may be able to work. Class schedules are so fluid that we prefer that you select times and days later on in the summer. We will contact you with definite class times so that you may select what works for you.

How many ENGR 1020/1021 SECTIONS per week do you wish to work? _____ See information below.

ENGR 1020/1021 (lecture/lab) meets three times a week at the same time, for example: 10:10 – 11:00 MWF. You must be available to work **all three** class meetings. Indicate **ONE** in the blank if you wish to work only one section.

How many ENGR 1510/1511 SECTIONS per week do you wish to work? _____ See information below.

ENGR 1510/1511 (lecture/lab) meets two times a week at the same time, for example: 9:30 – 10:45 TR. You must be available to work **both** class meetings. Indicate **ONE** in the blank if you wish to work only one section.

How many ENGR 1410/1411 IN-CLASS HOURS per week do you wish to work? _____ (Minimum of 2 Hours) See information below.

ENGR 1410 (lecture) meets twice a week at the same time for 50 minutes. ENGR 1411 (lab) meets once a week for 2 hours. You may select either or both. If you are planning to work a lecture portion, you are expected to be able to attend both times each week that the lecture meets for **TWO** total hours. Labs are assigned with each hour individually, so you may choose to work just the full lab for **TWO** hours, lecture and a single hour of lab for **THREE** total hours, or the lecture and full lab for **FOUR** total hours. Remember, times will be chosen later.

How many ENGR 2080/2081 or ENGR 2100/2101 sections do you wish to work? _____ See below.

ENGR 2080 (lecture) and ENGR 2081 (lab) meet twice a week at the same time for 75 minutes, as does ENGR 2100/2101. You must be available for **both** days. Indicate **ONE** in the blank if you only wish to work one section.
