ENGINEERING DUAL EDUCATION with CLEMSON UNIVERSITY

ENGINEERING DUAL EDUCATION WITH COASTAL CAROLINA UNIVERSITY

Dual Education programs allow students to begin their academic career by pursuing a Bachelor’s degree at a partner institution while preparing for an Engineering degree from Clemson University. Students enroll in a prearranged three-year liberal-arts or science program consisting of at least 90 hours of course credit prior to transferring to Clemson. During this time, they supplement their program with courses required for the BS degree in Engineering.

After three years, successful students may transfer to Clemson to complete the degree requirements for one of Clemson’s 10 Engineering Bachelor’s degrees. Upon completion of the Engineering degree at Clemson, students are awarded a BS degree in their Engineering major from Clemson, and a BA or BS degree from Coastal Carolina University.

CLEMSON ENGINEERING DEGREES

- Bioengineering
- Biosystems Engineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Environmental Engineering
- Industrial Engineering
- Materials Science and Engineering
- Mechanical Engineering

General Engineering Requirements: Highlighted in purple
You must achieve a grade of 'C' or higher in all General Engineering courses before changing your major into a specific engineering major.
General Engineering courses are recommended prior to transfer, but not required.

Additional coursework that may be taken towards a Clemson University Engineering Degree

Students desiring to transfer into one of Clemson’s 50 engineering majors must have completed a minimum of 30 hours of transferable coursework with a minimum GPA of 2.7. This is a minimum requirement to be evaluated, and does not mean certain acceptance. The Undergraduate Admissions office makes all decisions on student acceptance. Admissions Office: 108 Jack Hall, 864-656-2267

This worksheet is intended as information only and does not imply a contract with Clemson University.

All engineering major curriculums are available online at: http://www.cecas.clemson.edu/

If you have questions or need further advice, please contact the CECAS Transfer Coordinator:
Karen Thompson, M.Ed., CECAS Academic Advisor and Transfer Coordinator at: cecas.clemson.edu or 864-656-2453.
