- Registration is limited to 12 credit hours in summer, 19 credit hours (16 if CGPA < 2.0) in fall and spring.
- No student may exceed 3 attempts to complete ME 2010, 2030, 2040, 2050, or 2060 with a C or better. A "W" COUNTS as an attempt.
- Students are allowed to enroll in an ME course only when all co- and pre-requisites, as defined in the [academic catalog](#), have been passed with a grade of C or higher. Students in violation of this policy will be dropped from courses for which prerequisites are not satisfied.
- If you receive a D or F in a course this semester that is a pre- or co-requisite for one of your planned spring classes, schedule a meeting with your academic advisor as soon as possible to revise your registration plan.
- Students with financial aid should know and understand how to remain eligible for their specific financial aid. If unsure, please see the [Financial Aid Office](#).
