

Become a part of the **PEER & WISE** EXPERIENCE

Clemson's PEER/WISE Experience (PWE) offers a glimpse of what your freshman year will be like. This three week, optional introductory program is a great way to meet other students in your major while taking introductory classes in General Engineering and Calculus. In addition, you'll earn **3 hours of college credit**.

Participants will also enjoy a wide array of virtual games and activities. Sign up now so you won't miss out on the PEER & WISE Experience!

EXPERIENCE

**Have a PEER and
WISE Experience!**

An optional introductory program for incoming freshman students in the College of Engineering, Computing and Applied Sciences. While learning you will also earn 3 College Credit hours.

July 5-24, 2020

VIRTUAL FORMAT FOR SUMMER 2020

PEER & WISE
• CLEMSON UNIVERSITY •

Sponsored by Duke Energy and LSSCAMP

The PEER/WISE Experience

Academics

You'll find a variety of engineering and math classes. These introductory classes review some of the necessary objectives for achieving success at the college level. They're designed to identify areas that may require further review while providing insight on real classroom experiences.

- General Engineering - learn about the many engineering majors at Clemson and find tools to help you in your first year of engineering.
- Calculus - prepare for college level calculus with this review class.
- Introduction to research and graduate school

Students will be able to engage with fellow students, current faculty and staff. There will also be opportunities to attend workshops on topics such as undergraduate research, graduate school, study skills and time management, and adjusting to college. Virtual industry tours will also be available.

Prior to the start of classes on August 19, 2020, students will be given the opportunity to attend a Meet and Greet where they will meet PEER & WISE staff and mentors.

Apply Today

If you would like to attend PWE this summer, complete, detach and mail the application form. **You must have a score of 27 or above on the ACT Math or a score of 640 or above on the SAT Math AND have attended a virtual freshmen orientation prior to PWE.**

The PWE will take place July 5-24, 2020. The cost is \$825.00. Payments will be finalized upon acceptance to the program. **SCHOLARSHIPS ARE AVAILABLE THROUGH DUKE ENERGY TO ATTEND.**

NOTE: All incoming freshmen must have completed the admission process by May 1, 2020 to be considered an accepted student at Clemson University.

Applications must be postmarked by May 22, 2020 and accepted students will be notified by June 12. If you have any questions, please call or email.

You can also apply on-line at <https://bit.ly/2SJv35I>.
