STUDY ABROAD
DOMINICA

ENGAGE DOMINICA

DESCRIPTION
During this spring break study abroad program in Soufriere and Roseau, Dominica, students will have the opportunity to study remaining effects of the 2015 Storm Erica on the developing economy of the small Caribbean Island. Students will have numerous opportunities to engage with the local community and study/develop opportunities in educational programming for the youth population in the area.

PROGRAM HIGHLIGHTS
- Engage with the local community of Soufriere to examine infrastructure, sanitation, and development initiatives
- Tour the entire island to get a perspective of the remaining Erica damage
- Travel to the Kalinago Territory to explore indigenous culture
- Go on an excursion to Les Saints, Guadeloupe, via catamaran to experience differences in development between adjacent islands

LOCATION
- Soufriere and Roseau, Dominica

DATES
- Spring Break

FIELDS OF STUDY
- Engineering, Social Sciences, Public Health, Education, Graphic Communications, and more
